Captain's log

Captain's Log

Stardate: 1312.21 – This year has been an unusual year for crewmembers of the Winfield Scott there are times where we have been very busy with things and then, I guess you could say that we have had some quiet time. We have been busy off and on this year, some crewmembers have dealt with death of loved ones, health issues, and fatigue, others have dealt with various other things in their personal lives that only they could deal with. We have helped with a few things at the Family Museum in Bettendorf, and a few things at CASI, we also had 10 out of 13 crewmembers help with Quad City Arts Event – Festival of Trees. This year is now coming to an end, and things are quieting down. I hope that next year will be a better year and busier than this year. We want to get out and help our fellow man. We want to help where ever we can. This next year, I hope that we can do more for Toys for Tots, the Homeless Shelter that we help with on a regular bases, and local food pantries. Hope everyone has a good holiday season, and be safe. Let's see if we can do things better this next year, there is always room for improvement.

From the Captain of the USS Winfield Scott
Faith A. Raley
