### ***From the Starbase Commander***

It's summer time!! I hope all ships are able to have some outside events, whether that be a picnic or a trip to the Kings Island or something else. Stay safe in the summer heat!

In May we had all SB05 units turn in a SPAR – that was awesome! We only had half of our units report in for June though.

Your faithful Starbase Commander (and newsletter editor),

### ***Open Staff Positions***

There are open staff positions in Starbase 05. I'm looking for someone who can help me with Starbase duties (SPARS, regular communications, etc.) and occasionally attend SB05 unit events. You would not need to leave your local unit. Please email me if interested.

If there is some other way you would like to serve our region, please let me know.

### ***Charity war!***

SFCQ1 is now in a state of war against The Royal Manticoran Navy (TRMN) and Colonial Cylon Alliance (CCA) to see which fan group can raise the most money for their respective charities this year. SFCQ1's charity is the Autism Research Institute at [www.autism.com](http://www.autism.com). If you make any donations, be sure it's on behalf of SFC, and email our Deputy Fleet Commander a copy of the receipt.

This is all in good fun. SFCQ1 enjoys good relations with TRMN and CCA. Be sure to say "hi" to our fellow sci-fi fans when out and about.

## **Award Recommendations**

It's time to start thinking about nominations for Fleet awards. If you know any member or unit in Fleet who has really gone above and beyond this year, please email me a short blurb on who and why. It can be any SFC unit/member – you're not limited to SB05 personnel/units. All nominations need to be sent to me by 8/15/2013.
