### *From the Starbase Commander*

Welcome to 2013! I hope you had a fantastic Holiday Season. I took some much needed shore leave and am ready to hit 2013 running! Start planning out your ship activities for the year. I highly encourage everyone to put Millennicon on the calendar. Held in Sharonville on March 15-17, it's a great time to get all 6 of our ships together. I plan on being there! Is there interest in having a short (30-min) Starbase 05 meet-and-greet at Millennicon?

Also don't forget about the new Star Trek movie coming out this May! There are IMAX 3D movie theaters in Dayton and in Cincinnati.

Stay in touch!

Your faithful Starbase Commander (and newsletter editor),

*Vice Admiral Kevin Johnson*

### **It's Renewal Time!**

All members must renew their SFC membership in January 2013. Ships that renew 90% of its roster will receive a Retention Award at the SFC Annual Awards Meetings in November. Starship Captains, you must renew your SFC membership in order to continue in your position in 2013! Some ships collect Fleet dues from all their members and may in a single check to SFC. Some ships also charge local dues in addition to Fleet dues. Failure to pay those local dues may result in you being reassigned to a different unit! See your Unit CO for information on how members of your unit renew.

You may renew your SFC dues online via PayPal, or you can send a check into SFC with a list of names.

### **Awards and Promotions**

Starbase 05, its units, and personnel did extremely well at the SFC Annual Awards Meeting. The following is a list of awards received by SB05 units or personnel:

Admiral Tony Scott of the USS Melbourne (and Starfleet Command Headquarters), won the Charity Walk Challenge! A \$20 donation will be made to a charity of his choice.

### **Open Staff Positions**

There are open staff positions in Starbase 05. I'm looking for someone who can help me with Starbase duties (SPARS, regular communications, etc.) and occasionally attend SB05 unit events. You would not need to leave your local unit. Please email me if interested.

If there is some other way you would like to serve our region at the Starbase level, please let me know.
