## Miracle Mile Parade

It looked like it was going to be a rainy day for the parade. It rained a little before the start of the parade and then again just after the parade ended. It was a nice day for it. USS Endeavour showed up to be in the parade with us.

A big thank you to the crew of the USS Endeavour. Both crews had a wonderful time.

This is the 5<sup>th</sup> year we have been in the parade. After the parade, both crews had lunch at the Golden Corral in Greenwood.
