Star Base Indy was a three day event 11/28 to 11/30.. 6 crewmembers and 2 visitors from our ship where able to attend. Our ship won 3 awards this years. 1st Place for small ship of the year, 1st Place for Newsletter of the year, and 2nd Place for website of the year. Everyone had a wonderful time, lots of things to see and do at this year's Con. It was my Mike's granddaughters first Con ever. They both had a great time, they both want to attend Star Base Indy next year.

Star Base Indy Report

Something for everyone ,All Sector of space on red alert , come and see! By Captain Elbert Davis

Day one: welcome star trek fans to this year Star Base 2014. Now that you have sign in at the desk welcome a-board . Open your pocket schedule there is so much to chose from.

This what I did for myself. I first went to the star fleet recruiting room. Inside were six tables listed as the

Following ,Starfleet Comand , USS Indianapolis, USS Hasley, USS Bright Star and USS Mississippi all displaying their info in hopes to recruit new members. My next stop was the dealers room.

The room was filled with lots of dealers from all over. I needed to buy some pips for a crew member who has pass away. The dealer that I get them from was not there this year, and no one else had them.

In the past years there were at least three others dealers to pick from, but not this year. No one had them what a disappointment . Maybe next year someone will have them. Next I stop at the con suite for a cup of coffee and a bite of food. It is a welcome place to rest and it is free for guest. I had to leave the con to make final funeral arrangements for a member of our ship. Making my way back I stop to meet

with other ship members. We went to see the haunted Indiana part one at 7pm. "Please Note" when you start this voyage you have to have an open mine to the paranormal . Fact or fiction you decided. Now it's 8pm time for the high light of the night. The opening ceremonies started with a moment of slient for the armed forces and the Nationalism. One by one of the guest stars and others were Introductions. Well we then attended a renewal of wedding vales on the hollow deck . Moving on to our last stop of the night. The Haunting of Fox Hollow Farm. See you on Saturday 9am.
