Kennetha and Leroy had a baby shower for their daughter. It also turned into a wedding for their daughter. Mouse was also there for this happy event.

Gnomes

Its spring time and garden gnomes from far and wide have gathered at the Garfield Park Conservatory! Mouse, his sister, and the Hicks went to see the whimsical display of garden gnomes and try to spot them all! They enjoyed a glimpse of everyday gnome life.

USS Indiana

Vice President Mike Pence traveled to Newport News on Saturday for the christening of the USS Indiana, named for his home state.

The Indiana is a Virginia-class attack submarine that the Newport News shipyard built in a teaming arrangement with General Dynamics Electric Boat of Groton, Conn.

Construction on the boat began in 2012 with 4,000 shipbuilders participating. In his remarks, Pence said more than 100 Indiana businesses were

involved in the vessel's development.

Svengoolie

Give me an "M"- give me an "A"- give me a "Y"! Why? Because we've reached the month that benefits from those April showers- the month that starts out as a polite inquiry ("may one?")- the month when we salute Moms- and – a month with several movies new to the Sven show!

Star Wars Day

The date was chosen for the easy pun on the catchphrase "May the Force be with you" as "May the Fourth be with you". Even though the holiday was

not actually created or declared by Lucasfilm, many Star Wars fans across the world have chosen to celebrate the holiday.

Mother's Day

To all the moms out there in the universe, happy Mother's Day!
