April Meeting

Our April monthly meeting was held at El Mariachi in Beech Grove. Afterwards, some of us explored the local Flea market. It was a great time for all. We had a little Birthday party for Mouse too. Three of the crew received the "Away Mission" award.

PC / Movie Time

Computer / Movie Meeting at Mike's home. We had a great time learning new things on the

computer. Afterwards we watch the TNG Episode "All good things".

Comic Con

Indy Comic Con, it was a very amazing Con. the dealers room was the largest i've ever seen. So many fans dressed up for this Con. We were there for only a few hours and still didn't get to see everything. Thats how big this Con was.

Trek Trivia

1	•Which "code" haven't the Romulans broken?
2	•Does the portable communicator have the same range as the transporter beam?
3	•How many beds are in the main examining room of Sickbay?
4	•Once the dilithium crystals are put into use on the Enterprise, how long before they begin to deteriorate?
*5	•What approximate degree of heat can a hand phaser generate? (Express in centigrade, plus or minus 10 percent.)
6	•Once the destruct sequence has been engaged and before the countdown reaches five seconds, what must Kirk program into the computer to save the ship?
