Comments / Recommendations.

UFO Festival was cancelled for August 29th at Wonderland of Americas Mall, of San Antonio amidst COVID-19 concerns, along with all remaining Comic Cons and other Sci-Fi related conventions for our area that we were slated to attend and have promotional tables at. We are attempting to work with The Shindig and the local astronomy club to offer a "COVID" safe alternative, a possible mini-con, out in the Hill Country.

Recruit Steve Gordon has been spoken to, in regards to his social Media Outbursts and the emailing to SFC. He has been made aware that he will not be considered for a senior staff member position until such time as he seeks treatment for his mental health. We lost six potential members over his very public outbursts and failing to follow the chain of command.

He has been advised that all communications with SFC need to come through his Commanding Officer, including future requests for Academy Courses.

Drew Dermott is a promoter for the International Space Station and future Space Stations. The International Space Station is about to get two younger brothers, Von Braun Station and Voyager Station. He is requesting to collaborate with our efforts to promote S.T.E.A.M. in education and the community. I am waiting for more information on what this entails. (Gateway Foundation) He gave a very nice promo to the future space stations in our Facebook group. <https://youtu.be/-0SZileylFw>
