Received confirmation of Jeff Lester being assigned to SSR Communication department as a recruit effective 12 JUN 2020
Due to promotion of SSR through social media, posting in chapter FB groups, engaging in conversation with other members, beginning of groundwork layout for SSR webpage, and recruiting new people into the public group resulting in several people expressing desire to join SFC via PM with CO, Recommend permission for CO to submit early promotion for Recruit Lester as he is a returning member to SFC

Thompson NCC-1982-A LTCO Rex A. Wood Commanding Office.</p> <p>/Recommendations</p> <p>Well this marks the last Official Spar 1 Report as the Commanding Officer of the USS Hunter S. Thompson Louisville Chapter of STARFLEET Command. It has been a great two years and I feel like this ship and crew have journeyed so many light years. Who would have expected that this tiny little Miranda Class Ship of 5 would become a Medium Class ship in one year and now looking at over 18 active members before August 2020. Winning Small Ship of the Year 2019 plus Communications Ship of 2020. Retention of the Year Award 2019. Spawning a Junior Officer of the Year 2019. Recruitment Officer of the Year 2019 and eventually producing a Starbase Commander. This little Louisville Ship has become a much respected ship not just Starbase 05 but in the entire fleet. I now leave the ship in the hands of Lt. Trevor Stanfield who has been my XO since the beginning with his wife LTJG Sarah Stanfield. It is my wish as the retiring Commander that the New Command Crew continue in the fine tradition so this ship and its fist Command Crew</p>
