## STARBASE COMMANDER COMMENTS/RECOMMENDATIONS

Armstrong Commander needs to be reached so a decision can be reached about the future status of the USS Armstrong. I have recommended that the Commander of the ship transfer to either the STARBASE or transferring another ship. After the transfer is complete the ship will be de-commissioned. The commander of the Melbourne communicated a new email address during that conversation it was mentioned I was in need of apx 3 SPARS 1 , I was told I would get them, but I have yet to receive them. The USS Yorktown has missed their SPAR! 1 Month with no communication
