## January's Meeting

January's Meeting 2018 was at Mom's Family Restaurant . We had 7 crewmembers and 3 guests in attendance. Everyone had a wonderful time and the food was really good too.

## PC/Movie Meeting

We had a great time learning new things on the computer. We watched Sammy Terry host the movie "Plan 9 from Outer Space". It was another good time for everyone.

## Helping Hand

Elbert "Mouse" Davis and his sister helped to buy a bunk bed for family that was down on their luck this pass Christmas. The family just rent a house in the same town as Mouse's sister. Nice job my friends.

## SFC News

Lately there have a couple of instances where members are paying the membership dues of other members as a "pay it forward" or a "thank you".

While I appreciate the sentiment, Adm Rose & FC Williams must be notified (preferably in advance) when this is being done so the correct member is attributed to the payment. Remember, if doing this via PayPal, there is a comment area where the receiving member's name can be entered. Also, in order to avoid receiving a double payment (one by the donating party & one from the unknowing recipient), please send an anonymous notification of the gift to the recipient. This will avoid me having to refund payments.

## Svengoolie

Apologies for this newsletter arriving a little late- it had nothing to do with the blue super-moon, or whether or not the groundhog has seen his shadow! We've just been busy with production and a few additional projects- like the brand-new version of svengoolie.com! More about that later- but first- take a look at the frightening films featuring bugs and beauties that we have for you this month!
