February's Meeting

February's Meeting 2018 was at Steak n Shake. We had 9 crewmembers in attendance. We had one Birthdays Mark Blackburn. Everyone had a wonderful time and the food was ok. We had to wait over an hour for our food. The cook got upset and walked out while we were there. That's why the long wait for our food.

SFC News

Starfleet Command Q1 takes another bold step within the organization. With the permission of Fleet Admiral Mark Williams, it is my pleasure to announce that our first online Chapter; "USS Roanoke NCC – 2279", (East Coast) will be commissioned March 1st 2018. This chapter will be open to members who wish to be active in SFC and have no local chapter in their area. The rules for the online chapter will be the same as for a local chapter in that, you can only belong to one chapter, you have to participate, be current on your dues and to become an Officer or department head/Chief, you must attend the academy, take and pass the exams. As an Enlisted crewman, no exams are required. Any members wishing to transfer to the online chapter should contact Chief of Membership Services... CMS@SFCQ1.com and request a transfer. This is an opportunity to try something new and get in

at the ground level of what I hope will become a permanent chapter in SFC. If you have questions, feel free to contact me and I'll do my best to answer.CMS Rose Ciccarone

COCONUT

- Drink a few cups of fresh coconut milk or tender coconut water daily. Also, eat the kernel of the tender coconut.
- Follow this treatment for at least one week to get positive results.
- Alternatively, take one tablespoon of coconut oil in the morning and another at night for one week. As coconut oil is mainly composed of medium-chain fatty acids, it can be easily digested.
