Happy New Year!

December Meeting

USS Indianapolis Christmas Party. We had a great turn out. Lots of fun, food, and gifts, everyone had a wonderful time. Thanks to all that made this a very awesome evening

Garfield Conservatory

We went to the Garfield Conservatory to see the Conservatory decked out in its holiday best with a brilliant display of poinsettias, model trains and villages, and thousands of twinkling lights.

Wal-Mart

We went to Walmart to buy gifts that were on the Christmas tree there for needy kids. All the tags that were

were left on the tree were just too high. Maybe next year we will try it again. So we all went to Mom's Family Restaurant for lunch.

Future Farmers of America

After the Christmas Tree Donation at Wal-Mart didn't work out. Mouse discovered a Christmas Tree Donation at his work. We donated (4) 20.00 gift cards to FFA. Mouse works at a High School in Indianapolis. Nice job in finding this Mouse and buying the cards with the ship's charity fund.

SFC News

As Fleet Commander Mark Williams begins his second four year term, there are already plans in the works for many Changes. Among them, we will see a few new Award categories and say goodbye to few others. Plans are in the works to update the AFEDS, replace the list serve with a newer, more streamlined means of fleet communication, and possibly a revamping of the StarBases and their function. All these changes will be implemented gradually so as to not shock the membership and leave people feeling lost. These changes will not make Starfleet Command unrecognizable by today's standards, but, hopefully, the tweaks in the works will bring us into the twenty-first century and allow for growth throughout the twenty-third century and beyond.
