August 2019

Cookout 4th of July

We had a little cookout on the 4th of July. We also watched War of the Worlds. The food was really good and lots of it. Many of the crew couldn't make it. But those that did had a wonderful time.

InConJunction 2019

Our SFC Midyear meeting was Saturday, July 6th at InConJunction at the Marriott East Hotel in Indianapolis. We had 3 crew members at the

meeting. Everyone had a wonderful time.

July's Meeting

July's Meeting 2019 was at Mom's Family Restaurant. We had 7 crewmembers in attendance. We gave out a few awards, and it was Vicky's birthday. We also had a few trivia contests too. Everyone had a wonderful time and the food was really good too

Meetup

We canceled our account at Meetup. The price per month was just too high to keep it.

Svengoolie

What? It's already the final full month of summer? We only have one more month of high temperatures and humidity, over-crowded beaches, over-heated car radiators, and high

electric bills due to heavy air conditioner use? Only one more month to try to take a summer vacation- to someplace else with high temperatures and humidity, over-crowded... wait, that's no attitude to have ! We should be enjoying those lazy, hazy, crazy days of summer, like the old song says- because it won't be long before we're stuck in the breezy, wheezy, freezey days of winter (see, we at the Sven program are equal opportunity complainers)- anyway, let's enjoy the last month of summer with a variety of movies sure to be thrilling when you're grilling and chilling!
