## Rest in Peace

## Svengoolie

It's the most wonderful month of year- Halloween month! So many Sven fans truly live for this special time of year- with costumes they've been planning for months, schematics for jack o' lanterns at the ready, and pumpkin spice everything, from coffee to mouthwash (okay, maybe I made that last one up...). Most importantly, a month of Sven movies to fill

your trick-or-treat bag! Take a look at what's in store for you!

### Star Trek Fact

#### LEONARD NIMOY FOUGHT TO GET NICHELLE NICHOLS PAY EQUITY

Walter Koenig: When it came to the attention of the cast that there was a disparity in pay [where] Nichelle was not getting as much, Leonard took it to the front office and they corrected that.

Leonard Nimoy: There was also the case where George and Nichelle were not hired to do their voices in the animated series. I refused to do Spock until they were hired. Mr. Roddenberry started calling me the Conscience of Star Trek.
